E nga iwi, e nga reo, e nga karangatanga maha o nga hau
e wha, tenei te mihi atu ki a koutou katoa
(All peoples, all voices, all the many relations from the four winds,
this is my greetings to you all.)

E te whanau o te Karaiti tena koutou Katoa.

The chaplaincy team in Hawkes Bay Regional Prison have had some exciting times and not so many exciting times as we have had farewells new appointments and those who have passed on. Hawkes Bay Prison Chaplains have a very good team, with Maurice McLaughlin our new Link Chaplain in our Region. Sister Alisi our Catholic Chaplain who is halftime. Maurice is responsible for the region Manawatu,whanganui, Rimatoka and of course Hawke's Bay. And my responsibility is Kaumaatua for PCSANZ.

Bible Studies: Church providers come 6 day a week to do study some as a group or 1-1. We average 60-70 prisoners a month who attend study.

Sunday Worship: this is well attended by prisoners average 350-400 who attend.

Church support groups: Their support is so important to the Chaplaincy team their energy, passion, love and time. Their calling to minister in our prison is awesome thank you Lord.

Case Management:

Probation:

DTU: The Chaplaincy Team work very hard together with these groups so that we are all on the same Waka and to make a difference with the prisoners we work with. Everyone has to work as a team to achieve a positive out come.

Maori Focus: There are many changes made in the Maori Focus now, and that's to fit in with the new programmes that's put in place by the Department.

I must say when I attended a four day Wananga in Turangi to talk on the changes it was a very good out come.

Board Members

CEO: Many thanks must go to our board members and CEO Maku Potae. They have worked so hard to work with the changes and to have our contract rolled over for another 3 years. May God continue to Bless these wonderful people in all that they do.
